

The **FireSmart™ BC Information Sheet** was developed to provide an overview of resources, training, and materials available to support communities that have been approved for funding through the [Community Resiliency Investment](#) program.

[FireSmart BC's website](#) is a centralized resource dedicated to wildfire prevention through FireSmart activities for community members, local governments, wildfire management agencies, fire departments, land managers, First Nations, and private industry throughout BC.

FireSmart BC Resources

All **FireSmart BC Resources** are listed under the [Resources](#) section on the [FireSmart BC website](#). Below are links to some commonly used resources. *Please note that new resource materials are added on an ongoing basis.*

[Funding Resources](#)

[FireSmart BC Tool Kit](#)

[FireSmart™ Brand Usage Request](#)

[FireSmart BC & Ember Promotional Items](#)

FireSmart BC Programs and Education

FireSmart BC Programs and Education can be found on the [FireSmart BC website](#). Below are links to some commonly accessed program materials. Before creating a new resource, please check to see if a templated version already exists.

[Ember's Den](#)

[FireSmart BC Library Program](#)

[FireSmart BC Education Program](#)

[FireSmart Plant Program](#)

[FireSmart Canada Neighbourhood Recognition Program](#)

[Community FireSmart & Resiliency Committees](#)

FireSmart BC Training and Workshops

At FireSmart BC, we strive to create a community of continued learning. We offer a mix of course types – virtual and in-person, as well as the annual Wildfire Resiliency and Training Summit. Visit the [Courses](#) section of the [FireSmart BC website](#) to learn more.

[FireSmart 101 Online Course](#)

[Local FireSmart Representative Workshop](#)

[FireSmart Canada Ambassador Online Course](#)

[Wildfire Resiliency & Training Summit](#)

Support for FireSmart BC Coordinators

[The FireSmart BC Community Forum](#) is designed to allow FireSmart Coordinators, LFRs, and all those directly involved in FireSmart initiatives to ask questions, discuss projects, and share resources. This forum is still under development and can be accessed through the LFR Den.
