- Welcome and territorial acknowledgment
- Introductions
- CEPF program
- Fall 2024 intakes
- Spring 2025 intakes
- 2024/25 program updates
- Online application portal
- Other funding
- Questions - *post questions to the Q&A*

Background

- The Community Emergency Preparedness Fund (CEPF) was launched in 2017
- Funding provided by the Ministry of Emergency Management and Climate Readiness, \$368 million to date
- Administered by UBCM

Suite of funding streams intended to enhance the resilience of First Nations, local governments and communities in responding to emergencies and to reduce risks from future disasters due to natural hazards and climate-related risks.

Program Information

CEPF currently includes the following streams:

- Disaster Risk Reduction – Climate Adaptation
- Emergency Support Services Equipment & Training
- Emergency Operations Centres Equipment & Training
- Public Notification and Evacuation Route Planning
- Volunteer and Composite Fire Departments Equipment and Training
- Indigenous Cultural Safety and Cultural Humility Training

Please post your questions to the webinar's Q&A

Langford EOC project

2024/25 Program Updates

New eligible primary applicants

- Indigenous governing bodies and emergency management organizations (enacted by RD bylaw), may act as the primary applicant on behalf of eligible applicants
- IGB's and EMO's may be the recipient of funding
- IGB's must have authority for emergency management from the eligible First Nation members
- EMO's must be created by a regional district service establishing bylaw and approved by the Province of BC
- Resolutions are still required from sub-applicants

2024/25 Program Updates

Resolutions and letters of support

- As of July 1, 2024, First Nations and local government applicants may submit a Band Council, Treaty First Nation or local government **resolution**
or
a letter of support from the Band Manager, CAO or CFO for applications from a single applicant requesting less than \$50,000 in funding
- Applicants must still submit resolutions for regional projects and applications requesting over \$50,000 in funding
- Society-run fire departments required to submit motion.

Online Application Tool

UBCM grant programs introduced an online application tool at the beginning of 2024:

- Initial application form via Online Application Form
- Once online form is submitted, applicant emailed Application Worksheet specific to the funding stream
- Application Worksheet returned to UBCM via email with required additional materials by deadline
- Sample application worksheets available by request
Please email your request to cepf@ubcm.ca
